

# Sing for Joy!

## Songs from Taize

An evening of contemplative singing  
presented by  
**Max Maxwell**

Many people travel from all over the world to experience the rich, harmonic singing at the Taize community in France. In this evening we will learn and sing songs from Taize and other spiritual traditions in a mellow, reflective atmosphere.

**ALL ARE WELCOME!**

Max directed Auckland based Heaven Bent Gospel Choir for seven years, during which time they recorded their first CD. He also directs the SingForJoy choirs, which he started in 2009, and works with choirs and leads singing workshops throughout New Zealand. His passion lies in bringing people together to create harmony and rhythm - exhilarating, moving - and just sheer good fun!
